

UCS Continues Tuition Incentive Program for 2012-2013!

Do you love Unity Christian School? Do you wish your tuition was lower? READ ON.....

The Unity Christian Board is encouraged by our current enrolment, which is trending upwards for the first time in the last number of years. Last year the Board introduced a tuition incentive program that was successful in bringing new families to our school. Increasing enrolment remains a key platform in our strategic plan – a plan that will allow our school to grow and flourish!

The UCS board believes that satisfied parents are our best advertising and that building on this strength will be more effective than spending money on costly radio or newspaper ads.

Therefore: The UCS Board will continue to offer the tuition incentive program for the 2012-2013 school year. A \$1000 tuition deduction (\$100 / month) will be offered to any UCS family who directly refers another family to register at UCS. The newly registered family will receive the same \$1000 tuition deduction for their first year at UCS (discounts will be prorated for part-time K students or admissions that occur mid-year). If you have referred a family, please call the office to let us know. If the family registers, then the incentive will be applied!

If UCS can fill some seats that are currently empty then everyone wins! It's up to you to get the word out that UCS is an exciting and Christ-centered place of learning. There are families in the Chilliwack area whose children / teens would benefit from the blessings of Christian education – and you know who they are!

Conditions:

- Only one incentive is available per new family (if they have been referred by 3 UCS families we'll split the incentive equally)
- This applies only to families who are new to UCS - families who already have one or more children enrolled in UCS or in Little Blessings Preschool do not qualify
- The incentive applies only to K – 12 registrations
